Help Shape the Future: Sponsor a Child to attend the International Children's Peace Assembly

Dear Supporters of Peace and Education,

We invite you to be a beacon of hope for a young life. Join us in our mission to nurture the next generation of peace leaders by sponsoring a child to attend the International Children's Peace Assembly (ICPA) 2024. This transformative event will be held from August 11th to 17th in Sofia, Bulgaria—a city with a rich history of fostering international harmony and cultural exchange.

Why Sponsor a Child? For just £495, your sponsorship can provide a life-changing opportunity for a child aged 12-17 to participate in a week-long celebration of peace, education, creativity, and friendship. Your support will enable these young minds to engage in activities that promote holistic growth and cultural exchange, equipping them with the skills to become future leaders of peace.

Why Bulgaria? Bulgaria's capital, Sofia, has a legacy of hosting International Children's Assemblies "Banner of Peace" under UNESCO, welcoming over 4,000 children from around the globe. The Peace Bells monument in Sofia, featuring over 90 bells donated by countries worldwide, symbolises global harmony and unity.
